Ex. for Jan

Tuesday Nov 7th 1876

At 6, A.M. Left in to Fayal, got becalmed and drifted 10 miles S.E. did not get the Ship up again that day, on the 8 Strong Breezes from S.W. with Squalls of rain, being unable to Ship my oil underneath on account of the rough weather, brought the Ship to an anchor at about 11 A.M. got the oil all out about dark. on the morning of the 9th wind N.E. Fresh, to get underneath but wind increasing to a gale gave it up, at 10 A.M. Bark James parted one of her Chains and Struck adrift, fouling the Ohio slightly. Slipped his other Chain & went to Sea, but Shortly creasing the weather, at 12 M. gale increasing with heavy Squalls, found the Ship fast dragging her Anchors, and to add gang upon the Banks, and total destruction; Slipped both Chains and went to Sea, on the 10th a gale from N to N.E. on the 11th more Moderate Stood in to Fayal & made arrangements to get my Anchors & Chains, on the 12th a heavy gale from N.W. also on 13th, on 14 again got up to Fayal & took on board Chains & anchors. Lighters hauled them up, and Charged $7000 for this work, & Left this day Nov 14th for the South. S. thirty mile saw Bark James which had been blown off for a week, So Ends work at the delightfull City of Fayal.

Dec Nov 4th 76 Sanded at St Jago got Ice for 1st gam 25 dollars for it left next day.
